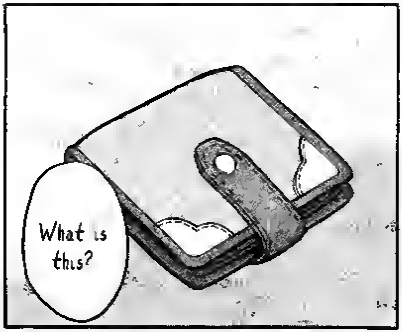
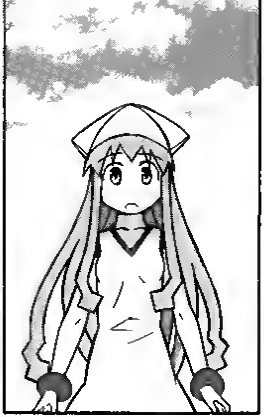
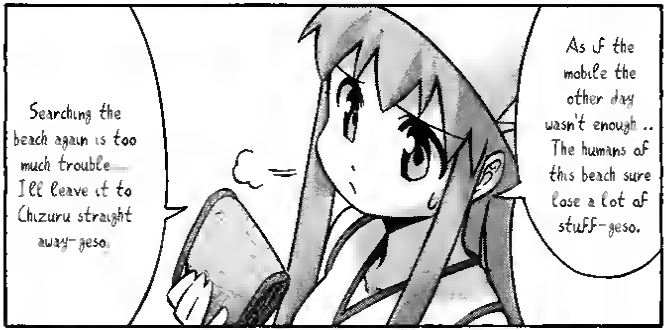
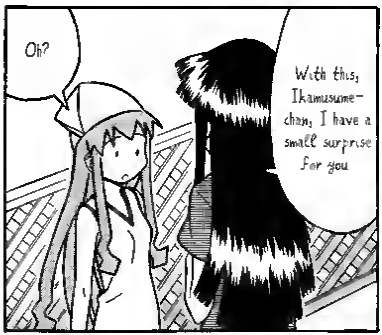
CHAPTER 20: SHAN'T WE SHOP?



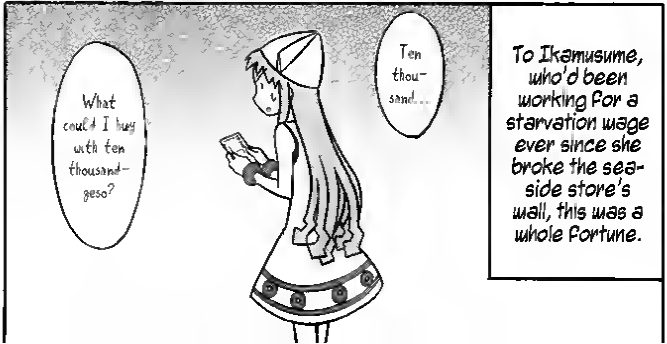




Searching the beach again is too much trouble... I'll leave it to Chizuru straight away-geso.
As if the mobile the other day wasn't enough.. The humans of this beach sure lose a lot of stuff-geso.

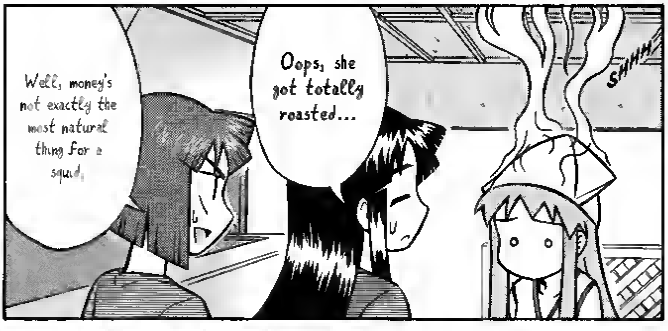


Note: About 75 Euro or 100 USD

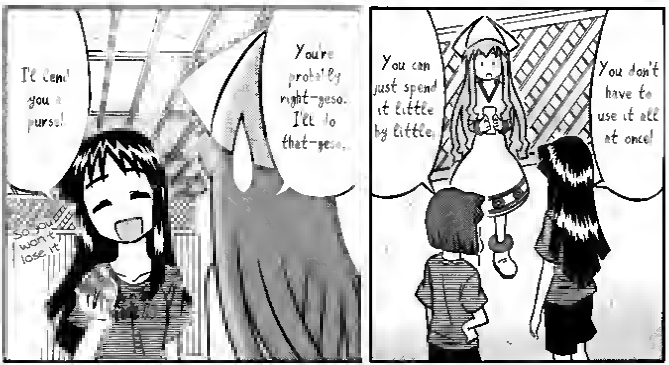


To Ikamusume, who'd been working for a starvation wage ever since she broke the sea-side store's wall, this was a whole fortune.

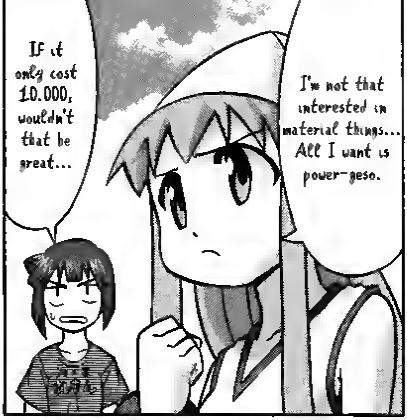
How about a second-hand? She could find quite a lot, although the prices aren't that stable... We also can't know which one would be cheapest...
Well, if it's a PC or a fridge, I don't think you will find much for that price...
If it's ten thousand, there's a lot you can buy... Games, CDs and DVDs... Or would clothes be the safest choice?



Well, money's not exactly the most natural thing for a squid.
Oops, she got totally roasted...
SHHH



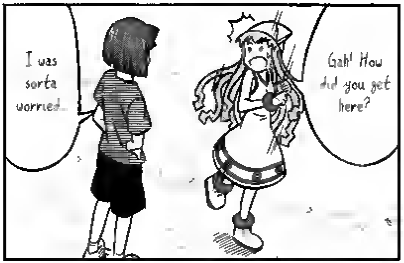
I'll lend you a purse!
So you won't lose it
You're probably right-geso. I'll do that-geso.
You can just spend it little by little.
You don't have to use it all at once!



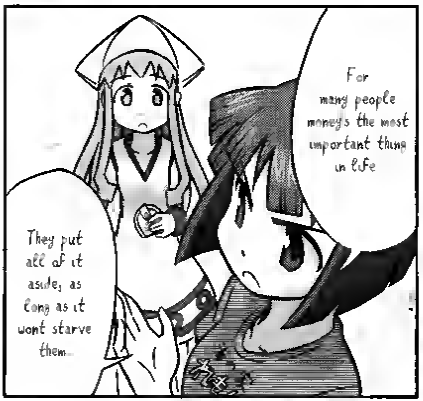
IF it only cost 10.000, wouldn't that be great...
I'm not that interested in material things... All I want is power-geso.

The land has much I don't understand-geso.
Honestly, even after what she said, there was nothing I wanted-geso...

Not saying a thing, are you?
D-Don't come near me-geso!



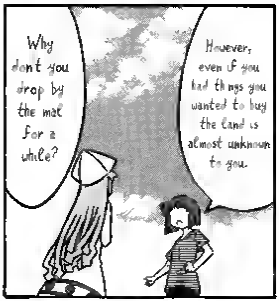
I was sorta worried...
Gah! How did you get here?



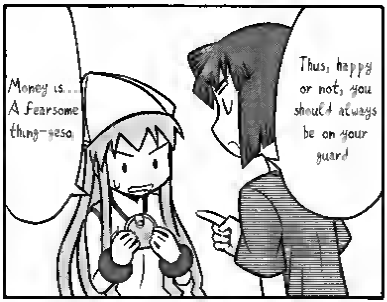
For many people money's the most important thing in life
They put all of it aside, as long as it wont starve them...

What do you mean by that-geso?
Well, at least you're cautious, so I can relax a bit

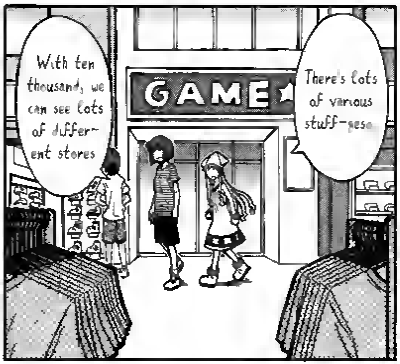
Murder!?
And then there're those who would commit murder for money. Lots of people go bad in this world.
There're those who earn their money with earnest work...



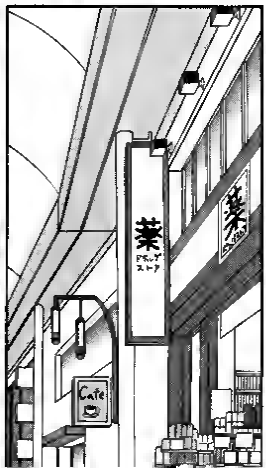
Why don't you drop by the mat for a while?
However, even if you had things you wanted to buy the land is almost unknown to you.



Money is... A fearsome thing-yesa.
Thus, happy or not, you should always be on your guard.



With ten thousand, we can see lots of different stores.
There's lots of various stuff-yesa.
GAME



Cafe

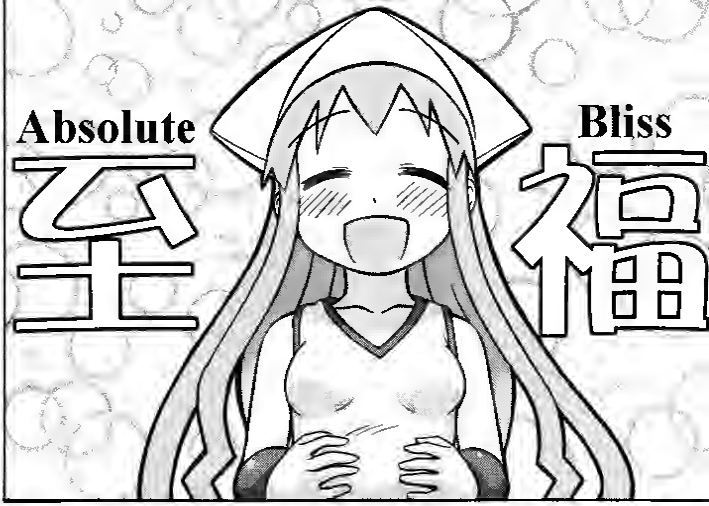
I think I'm going home after all~geso.
What!? We've yet to enter one store!

Sooner or later, this place too will come under my control~geso!
Everything will become mine~geso.
As usual, the most expensive thing she has is her ambitions.

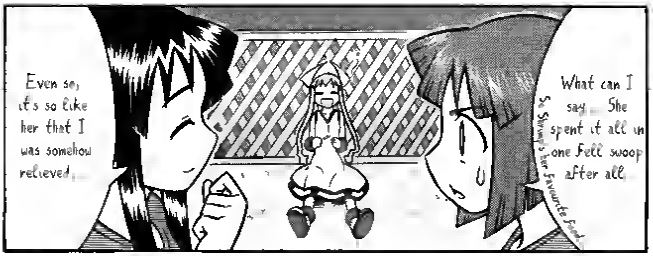
海の家

Eh, whatever... they're our funds after all.
They're going to be used for conquest at some point~geso

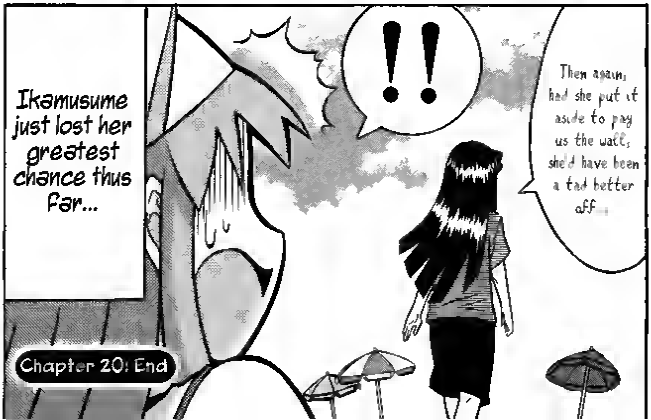
Ah, Ikamusume-chan, please put this in the fridge.
Gotcha-yeso.
Shrimps!?
!?
業務用
Keep all the money...
And let me keep the shrimps-yeso!



Absolute
Bliss
至福



Even so, it's so like her that I was somehow relieved...
What can I say... She spent it all in one fell swoop after all.
So, Shiina's Star Encounter Food



Ikamusume just lost her greatest chance thus far...
!!
Then again, had she put it aside to pay us the wall, she'd have been a tad better off...

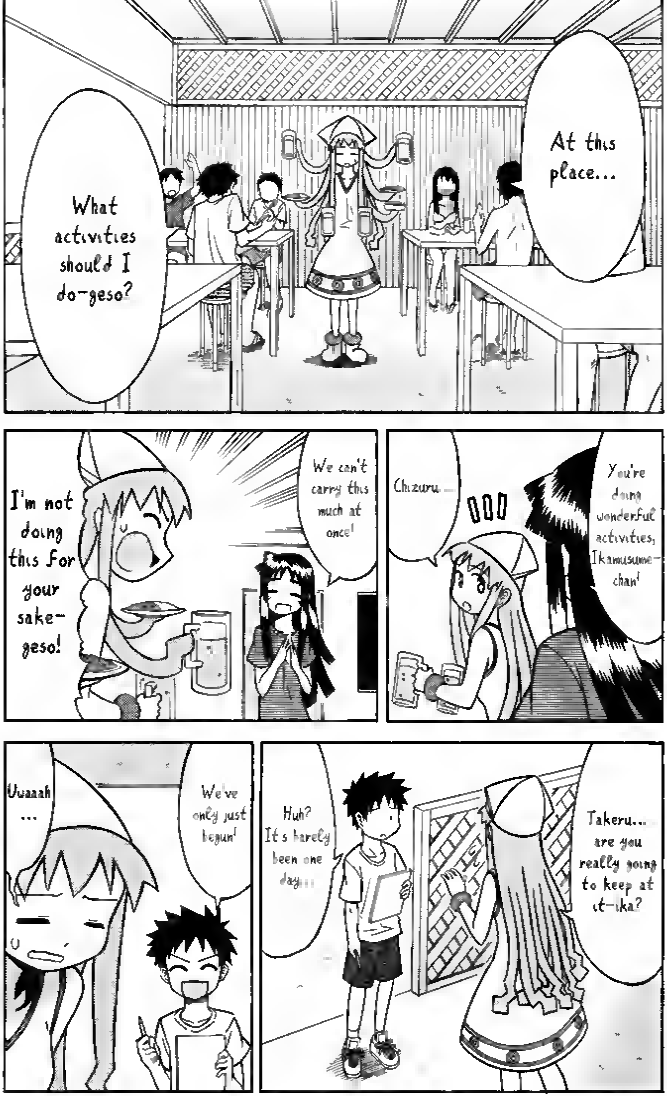
21: CAN'T YOU INSPECT ME?

Here! Free-subject assignment!
SQUID Observation
There's so much wrong with this...

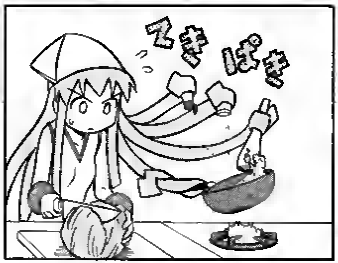
I'm Ikkusume-geso!
Cuz Ika-nee-chan is a squid!
It's not ridiculous at all! It's just like the title!
The teacher will be mad at you if your subject is so ridiculous!
I'm going to record Ika-nee-chan's everyday activities!
Activities...
Yes, exactly!
So, you'll inspect me every single day-geso?
...Is what I said, but—
Leave it to me!
Sounds good somehow-ika! I'm going to give it my all-geso!



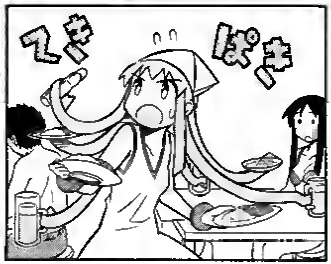
At this place...
What activities should I do-geso?
We can't carry this much at once!
I'm not doing this for your sake-geso!
You're doing wonderful activities, Ikamusume-chan!
Chizuru...
We've only just begun!
Uuaaah...
Huh? It's barely been one day...
Takeru... are you really going to keep at it-ika?

Oure...
...She even dropped it inside the soup...
I cut my own tentacle!
Ou!
Ah!
That's sugar...
WOAH
!
Uuu... I'm a total mess- geso...
No!
If this goes on, squids will be written down as useless!
Because I know I'm being watched, I've become a nervous wreck! I'm causing much more accidents than usual!

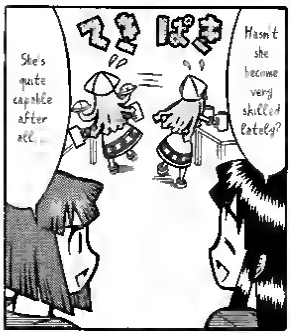
As a conqueress, I'll only display my absolute hardest of work!
For that reason, I'll show no more of my nervous side!



ズキ
ぱき



ズキ
ぱき



She's quite capable after all...
Hasn't she become very skilled lately?
ズキ
ぱき

The conqueress's hard-working body.
How's that, Takeru! When it's time to work I always give it my all!

One week later
I'm finished!!
Oh! You've finished your assignment!
Yup! I observed closely and patiently
Heee... What perseverance!
Despite being small, all this hard work...
Ooh, Takeru! You noticed my hard work-geso!
You really inspected me well-geso!
Won't you show it to me too-ika?
Alright!

22: AREN'T YOU SCARED-IKA?

No reaction!!

You're scared already...
It's seriously dangerous here... can't we go home?
Justice

All you ghosts come out!
Ah, Aneki
Justice

You didn't ask me to escort you to blasphemy!
You call yourself a bodyguard? Pull yourself together!

Come to think of it, when are we having fun-geso?
Ah, that

Just stop it! Jesus!
Looked like it was someone else after all
Justice
This is bad, umm?

Ika-chan, aren't you afraid?
Afraid? Of what-geso?
Isn't it just dark-ika?
What here is scary-geso?
You're acting as if there're sharks or orcas here.
What a weird bunch-geso.
So she has no idea about ghosts and stuff...
Or rather, she hasn't seen anything occult in her life.
Justice
It's not like that!
Guess we failed, huh?
Until Ika-chan cries and falls in my arms, I'm not going home!
Then stay here for-ever for all I care

So far she's not scared, despite all the planning.
So, I'll wage war from here!

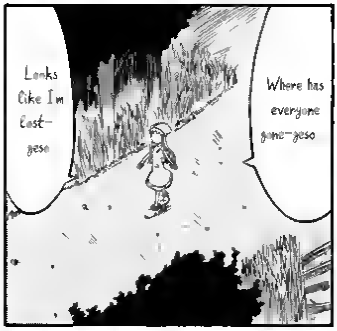
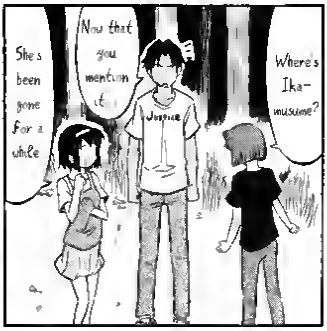
Huh?
Come to think of it

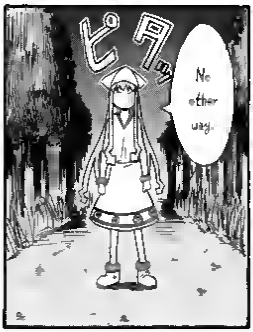
You cut it out! I haven't failed yet!
You threw that rock from there, didn't you? I said cut it out!
Shame on you guys



Where has everyone gone-geso
Looks like I'm lost-geso



Where's Ika-musume?
Now that you mention it...
Jupiue
She's been gone for a while



ピタ
No other way.

The darkness isn't scary, but...
If I can't find the others, I won't know which way to go back-geso.

IKAMUSUME HAS THE ABILITY TO EMIT LIGHT.
ポワ
I'll have to shine-geso.
Where could she have gone?
Ika-chan is nowhere to be found, right?
Justice
That way I'll find them easily-geso!
Oh! So that's where you were-geso!
Ah... that...

It came ouuuuut!!!

W... Wait-geso!
Why are you running-gesoooo!

THE NEXT DAY
It was awful of you to leave me there-geso!
Sorry, sorry. It wasn't on purpose.
So what will we do with all these pictures?
Uuuh! Look at that picture here!
Maybe we should perform an exorcism?
Everyone went and had fun without me... How sneaky-geso...

23: ISN'T IT A PINCH-IKA?

Huuuh?
I can't move my tentacles!
ピーン

They don't run on such things—yesu!
But their batteries run out?
What could have happened
Until yesterday, they moved just fine!
But they're also precious to me—yesu!
Indeed, with my tentacles I can reach high places, and carry lots of things at once, and earn trophies...
That's not so—yesu!
However, although your tentacles are paralyzed, both your hands and feet are fine. So there's no problem for now, right?
However...
If you can't use your tentacles anymore
You're just thinking of yourselves—yesu!
They're useful, aren't they...
Indeed, not being able to use them in your job is tough, no?

You're just a regular girl in a squid cosplay!

I won't worry about you breaking stuff anymore.
For me, your biggest menace just disappearedy that's a relief

Your number one most useless ability!
I... I can still spit ink-geso!

E... Even without my tentacles I can survive-geso!
I'll always be Ikamusume-geso!

What happened?
Ikamusume... You... this...
AFTER A FEW DAYS
What happened to your tentacles?!
.....
* A SQUID GIRL
Like hell I'm still Ika-musume*
They had no function anymore They don't even regener-ate.
I don't have tentacles anymore-geso Just like humans. This looks more like hair-geso.
Did you cut them yourself?

!?
SFX: HUG
ぎゅっ
Like this, neither can I conquer anything...
nor can I return to the sea.
Even if your tentacles never return
You'll always be welcome here
Uu-

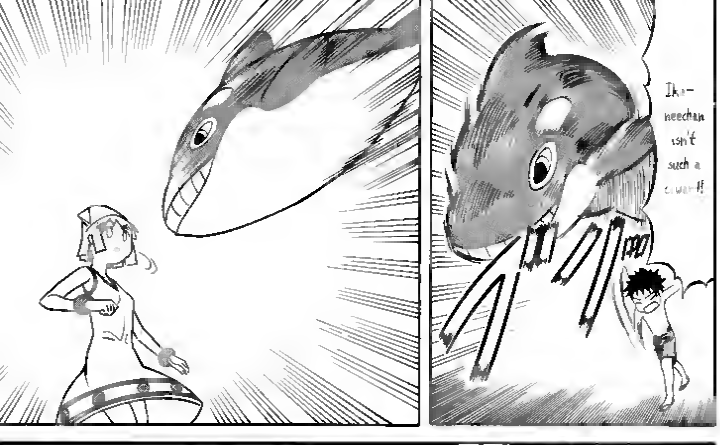
This
isn't like that!
UWAAAAAAAAH!



Ika-

WHAT'S THIS ALL OF A SUDDEN?

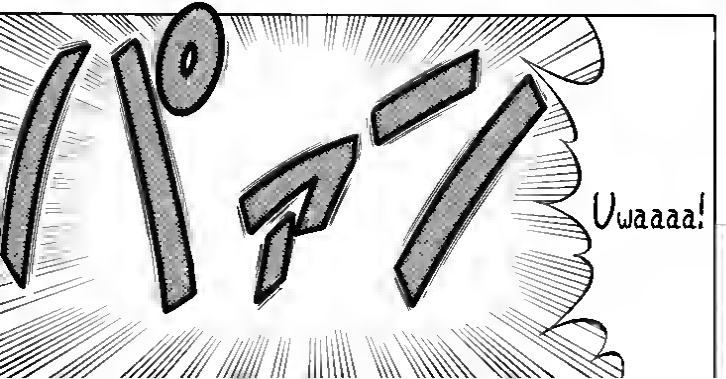
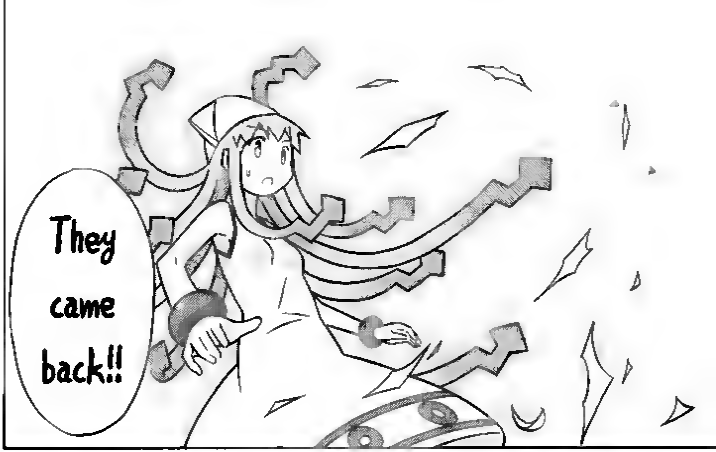
ENEMY
ISN'T MY LIFE IN DANGER-IKA?
I CAN'T FLEE

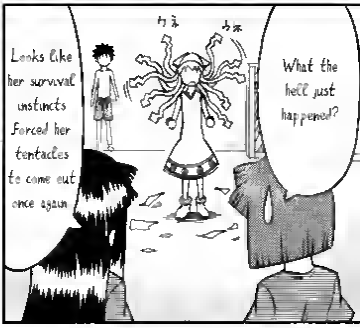


パーン
Uwaaaa!



They came back!!

Even so, I'm so glad to have them back-geso!
Ever since I came on to land, they didn't have much use; so they withered!



Looks like her survival instincts forced her tentacles to come out once again
What the hell just happened?

Uuuu... Like this, not one thing has changed-geso...
Come on, come on! Move faster!
Working FULL-speed

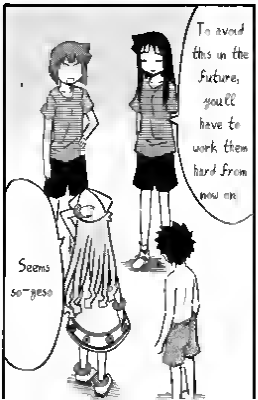
CHAPTER 23: END



To avoid this in the future, you'll have to work them hard from now on

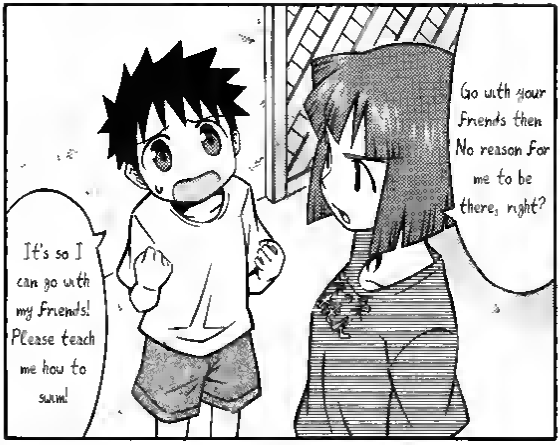
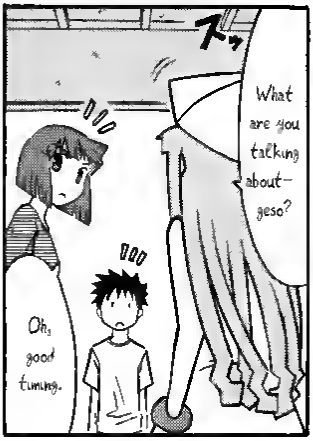
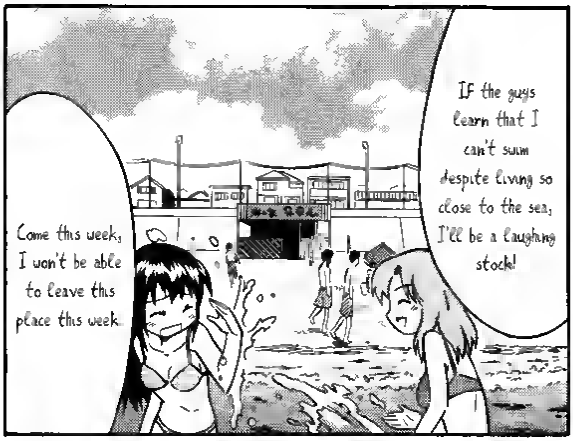
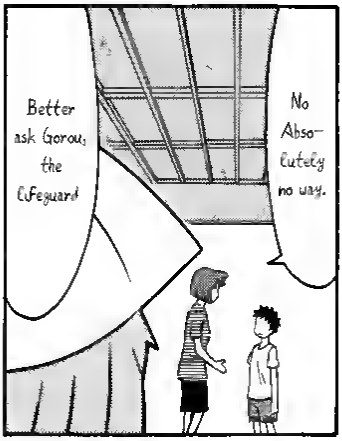
CH. 24: CAN'T YOU SWIM-IKA?





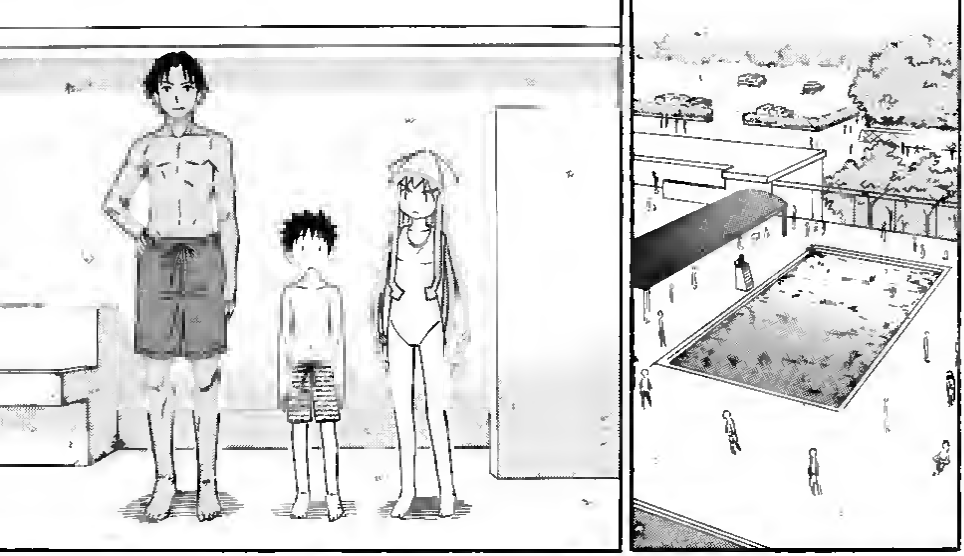


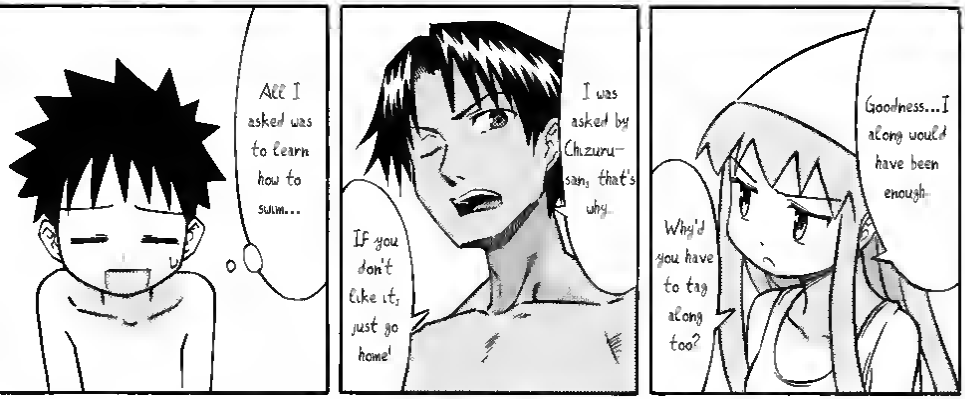
Come this week, I won't be able to leave this place this week.
If the guys learn that I can't swim despite living so close to the sea, I'll be a laughing stock!



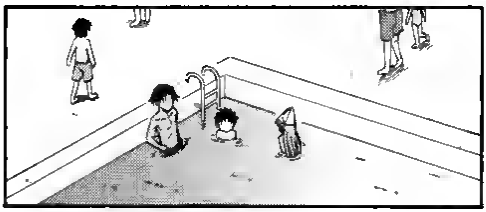
What's she getting all fired up for?
IF YOU CAN TRUST THAT JERK, TRUST ME AS WELL-IKA!

海の家 れもん
Go with Gorou, the three of you.
Anyway. It's too nerve-racking for you two to go

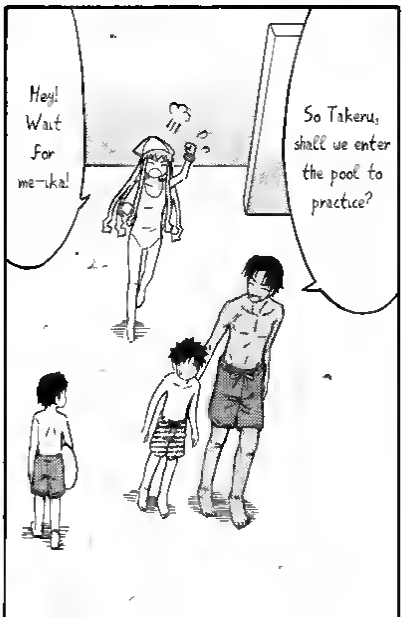




All I asked was to learn how to swim...
I was asked by Chizuru-san, that's why.
If you don't like it, just go home!
Why'd you have to tag along too?
Goodness...I alone would have been enough.



O... okay.
Just see how long you can hold your breath.
First of all, go into the water.



Hey! Wait for me-ika!
So Takeru, shall we enter the pool to practice?

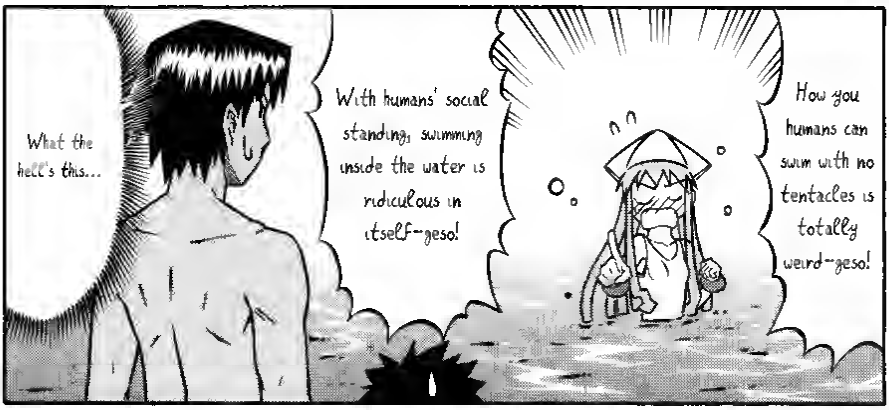
Not bad at all!
Puhah!
Let me show you how it's done-geso.
It's fine! He's just a beginner!
"Not bad" my tentacle-geso. He didn't even last one minute-uka!
SFX: JAPON
Let's get to practice the kicking...

That's it, that's it!
Put more strength in your legs!
So then, next is the "1-2-3" rhythmic breathing.
1・2……
……
You've got some nerve, ignoring me like that...
You were just waiting to say that, weren't you?
What an uncomfortable way to swim. There's a much more efficient way to swim—geso.
Oh, really?
Of course! Like this...

She didn't use her limbs once!
Arms and legs?
If you don't use your arms and legs, I can't use it for reference...
Don't be ridiculous!
Here! Efficient, isn't it-ika?
You're talking nonsense!
Things like those are so useless...

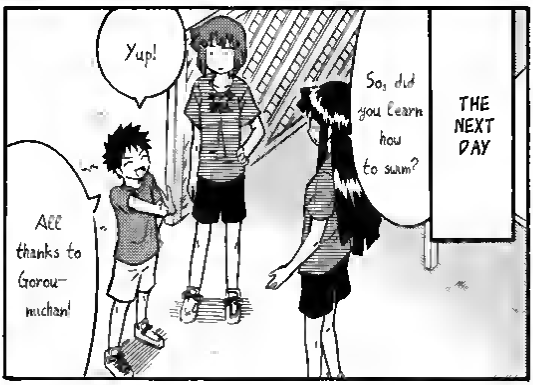
You came from the sea, with those omnipotent 10 tentacles of yours, raving about how swimming with them is no big deal.
They live on land, but humans, with just those 4 appendages of theirs, manage to swim in the sea...
For humans, they're not useless at all.
You're calling arms and legs useless, but..
How dare you say that-Ika...
If you want to boast, let's see you use those 4 limbs of yours to swim
the true strength of the messenger of the sea-Ika!
Why don't I show you

she can't swim at all, can she...
RIDICULOUS!
ボヘァ...



What the hell's this...
With humans' social standing, swimming inside the water is ridiculous in itself--geso!
How you humans can swim with no tentacles is totally weird--geso!

You just wait--geso! I'll show you!



THE NEXT DAY
So, did you learn how to swim?
Yup!
All thanks to Gorou-nichan!

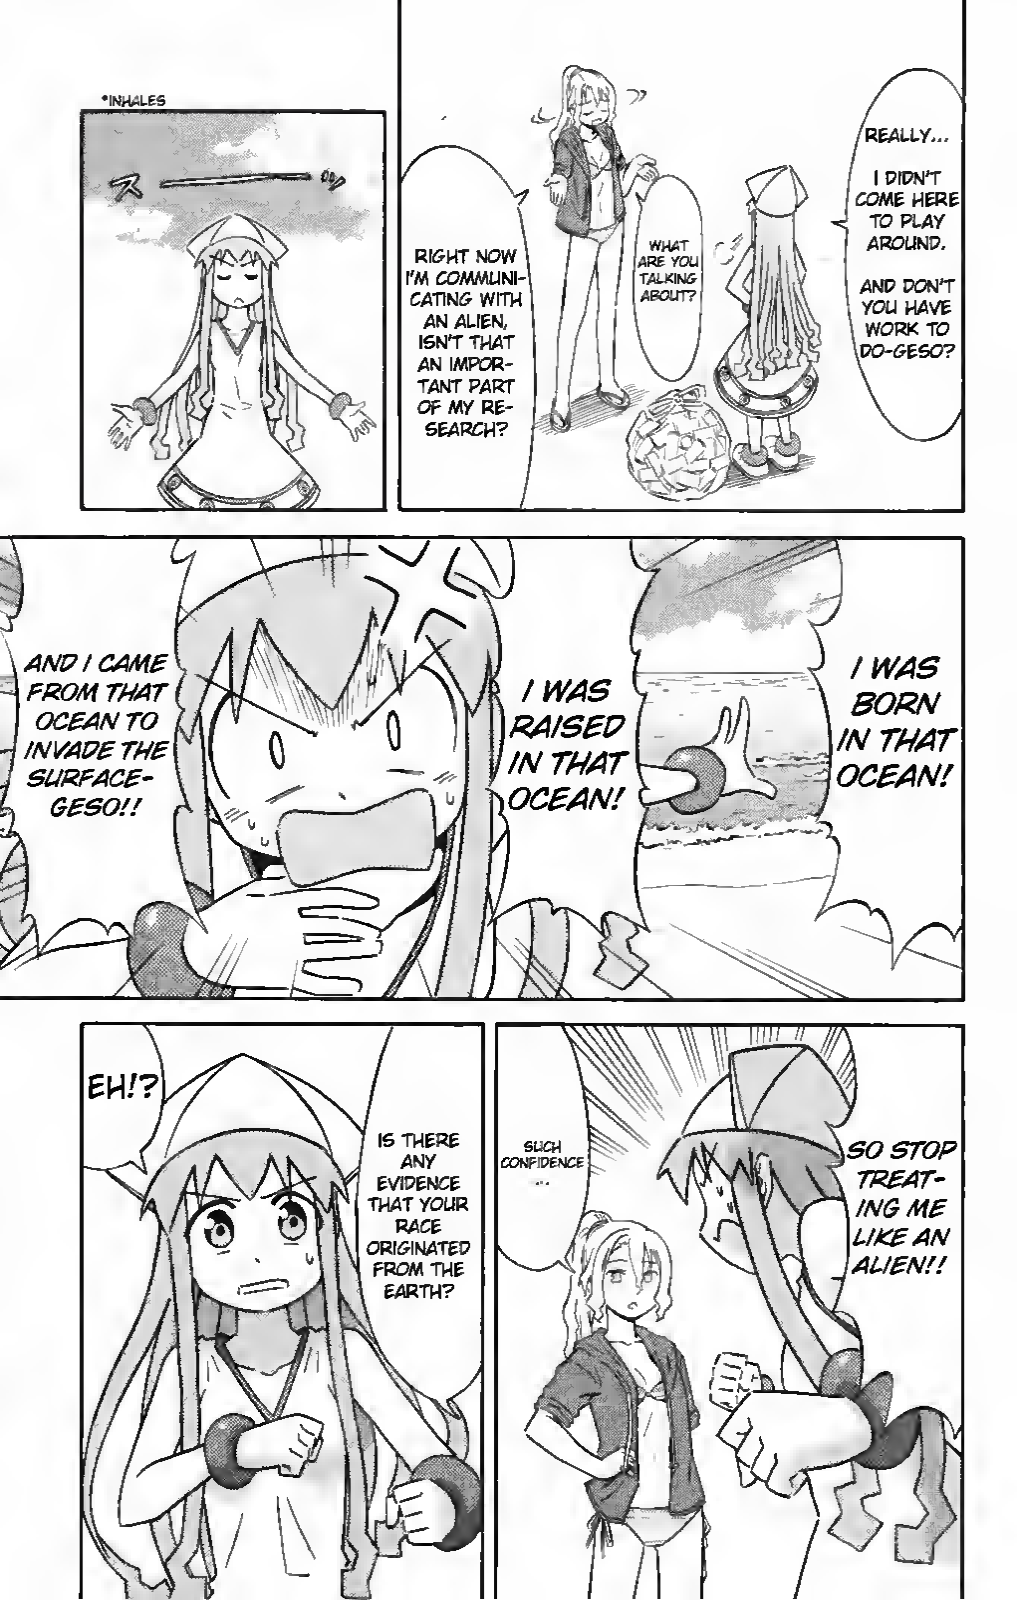
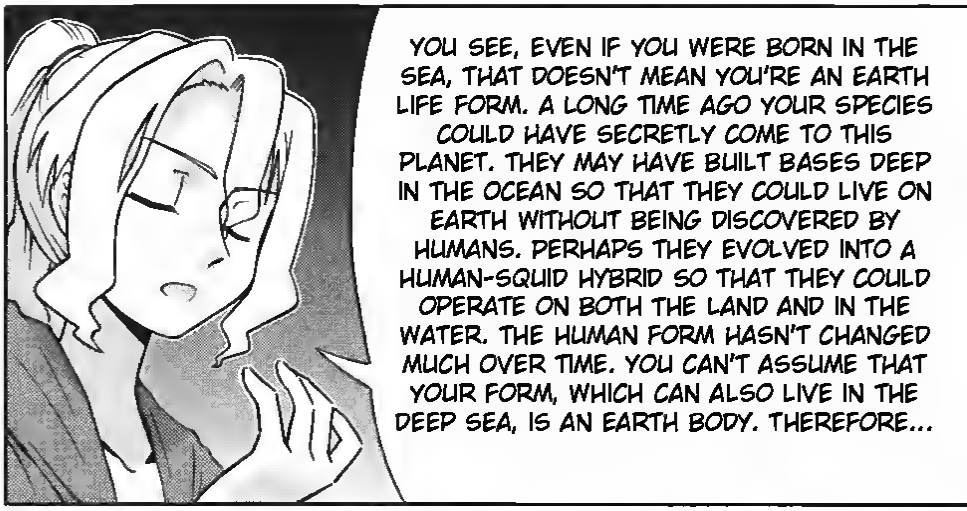
第34話 • AREN'T YOU AN ALIEN? PART 2

BTRMANGA@YAHOO.COM
HTTP://BTRMANGA.LIVEJOURNAL.COM/

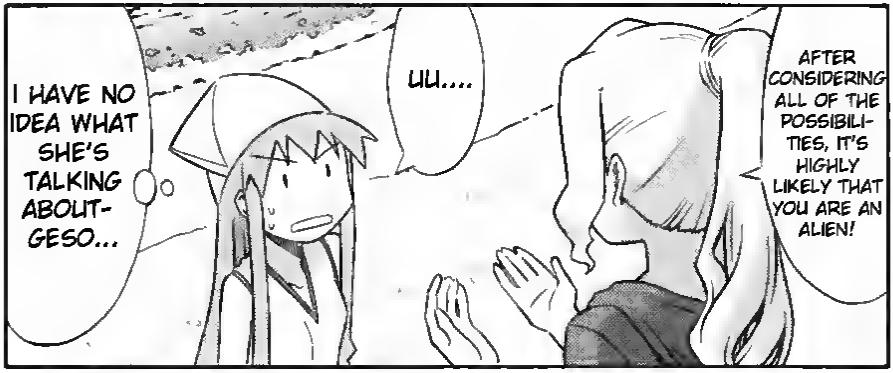
IS THIS FUEL FOR YOUR UFO? OR DO YOU EAT IT?
SHE CAME AGAIN- GESO...



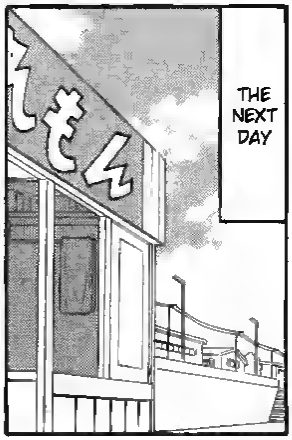
*INHALES
REALLY...
I DIDN'T COME HERE TO PLAY AROUND.
AND DON'T YOU HAVE WORK TO DO-GESO?
WHAT ARE YOU TALKING ABOUT?
RIGHT NOW I'M COMMUNICATING WITH AN ALIEN, ISN'T THAT AN IMPORTANT PART OF MY RESEARCH?
I WAS BORN IN THAT OCEAN!
I WAS RAISED IN THAT OCEAN!
AND I CAME FROM THAT OCEAN TO INVADE THE SURFACE-GESO!!
SO STOP TREATING ME LIKE AN ALIEN!!
SUCH CONFIDENCE...
IS THERE ANY EVIDENCE THAT YOUR RACE ORIGINATED FROM THE EARTH?
EH!?



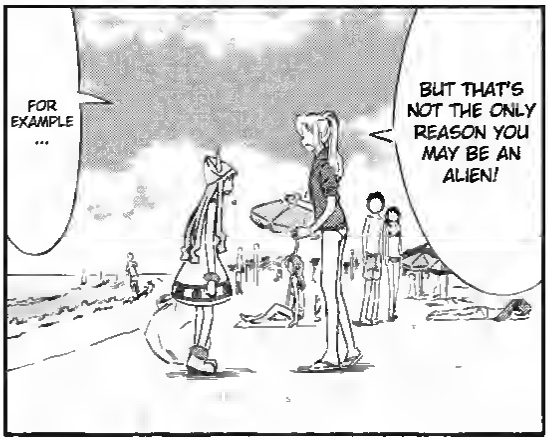
YOU SEE, EVEN IF YOU WERE BORN IN THE SEA, THAT DOESN'T MEAN YOU'RE AN EARTH LIFE FORM. A LONG TIME AGO YOUR SPECIES COULD HAVE SECRETLY COME TO THIS PLANET. THEY MAY HAVE BUILT BASES DEEP IN THE OCEAN SO THAT THEY COULD LIVE ON EARTH WITHOUT BEING DISCOVERED BY HUMANS. PERHAPS THEY EVOLVED INTO A HUMAN-SQUID HYBRID SO THAT THEY COULD OPERATE ON BOTH THE LAND AND IN THE WATER. THE HUMAN FORM HASN'T CHANGED MUCH OVER TIME. YOU CAN'T ASSUME THAT YOUR FORM, WHICH CAN ALSO LIVE IN THE DEEP SEA, IS AN EARTH BODY. THEREFORE...



I HAVE NO IDEA WHAT SHE'S TALKING ABOUT- GESO...
UU....
AFTER CONSIDERING ALL OF THE POSSIBILI- TIES, IT'S HIGHLY LIKELY THAT YOU ARE AN ALIEN!

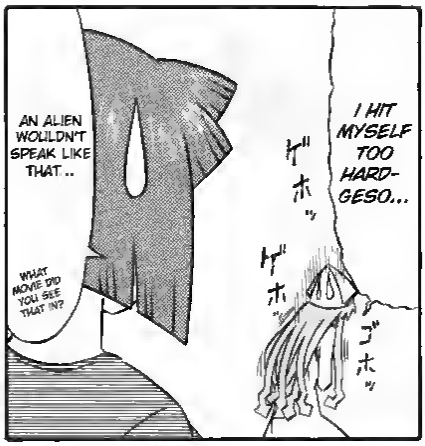


THE NEXT DAY

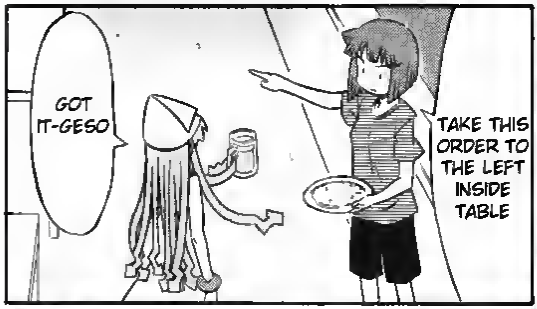


FOR EXAMPLE ...
BUT THAT'S NOT THE ONLY REASON YOU MAY BE AN ALIEN!

BRAINWASHING COMPLETE
IT LOOKS LIKE I'M AN ALIEN AFTER ALL-GESO!
*IKA MUSUME IS "SQUID GIRL", IKA SEIJIN IS "SQUID ALIEN"
YOU'RE STILL KEEPING THE "IKA"...?
FROM NOW ON CALL ME IKA SEIJIN!
I WON'T BE CALLED THAT ANY-MORE-GESO
WHAT ARE YOU TALKING ABOUT, IKA MUSUME ...
WHERE DID YOU LEARN THAT!
ETT!
THAT'S THE SAME THING!
I'M AN ALIEN SO I DRAW NAZCA LINES-GESO!
YOU'RE JUST SCRIB-BLING
I'M AN ALIEN SO I DRAW MYSTERY CIRCLES-GESO!



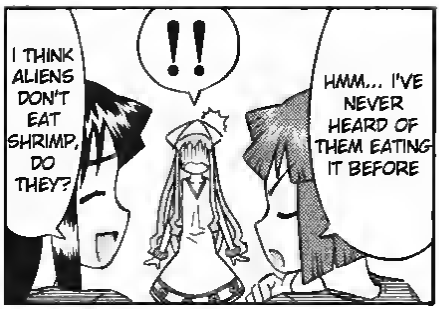
*HITTING THROAT TO MAKE AN ALIEN VOICE



THAT SMELL ...
WAIT A MINUTE, ISN'T THIS SAME AS BEFORE?!
SHRIMP ?!
IKA SEIJIN-CHAN IS AN ALIEN, RIGHT?
UU... THAT'S RIGHT-GESO
I WONDER ...
IT LOOKS GOOD-GESO!
CAN I EAT IT?!

EH?!
I WONDER IF ALIENS EAT SHRIMP?

ITADAKI-MASU!
IT WOULD BE A WASTE IF NO ONE ATE IT. I'LL HAVE IT!



!!
I THINK ALIENS DON'T EAT SHRIMP, DO THEY?
HMM... I'VE NEVER HEARD OF THEM EATING IT BEFORE

LOOKS LIKE THE BRAIN WASHING WAS NO GOOD...
I'LL GET HER NEXT TIME
WHAT ARE YOU TALK-ING ABOUT-GESO?
I'M IKA MUSUME-GESO!
IF YOU'RE AN ALIEN THEN WHY ARE YOU EATING IT?!

DON'T MAKE THIS ANY MORE CONFUSING...
HUH?
WHY ARE YOU COMPLAINING SO MUCH ABOUT SUCCESSFUL ALIEN COMMUNICATION?

EVEN THOUGH I LOVE IKA-CHAN SO MUCH...
WHY HASN'T SHE DONE ANYTHING TO ME!!
SAY SOME-THING TO HER ...

DO IT, IKA MUSUME.
AND DO IT MORE INTENSELY !!
AT LEAST DO THE SAME TO ME AS YOU DID TO THIS PERSON!!
